

Survey of Community Training Needs and Recommendations

Charleston County 2011-2012

Dear Early Care Professional:

We are seeking input on your needs for child care training in our local Charleston County community. To enhance the quality of our Centers of Excellence, we will be promoting the social and emotional competence of young children during the coming year using training modules from The Center on the Social and Emotional Foundations for Early Learning. Our public trainings will concentrate on other areas, such as Program Administration, Health and Safety, Nutrition and Special Needs. PLEASE FAX YOUR COMPLETED SURVEY TO: (843) 745-0895. *Thank you!*

Please number (rank) your priority topics from 1-5.

If you have other priority topics, please describe them in #14 - #16.
