** I have attached info. from ABC regarding supply grants (up to \$7500 for centers, up to \$750 for homes). To be eligible, you need to be an ABC provider, and attend a specified training. ABC will award you funds for what they feel are your priority needs. This is a NEW grant. Only 500 centers or homes will be served statewide, and the grants will be awarded first come, first serve. **DON'T MISS OUT ON THIS OPPORTUNITY!** ABC also has grant funds available to be utilized for attending conferences, and computers.
